

One year manufacturer's warranty

Product – Digital Matter G60 GPS Tracking Device

Digital Matter offers a one year Manufacturer's "repair or replace" warranty against manufacturing defects from the date of purchase of the Product from Digital Matter. Faulty devices should be returned to Digital Matter for analysis and devices assessed to be faulty under this warranty will be repaired or replaced at Digital Matter's expense, which is limited to Digital Matter's cost of the repair or replacement device plus standard postage to return the device to the Customer. This Manufacturer's Warranty excludes any malicious damage or damage caused by use of the device outside of its specified operating parameters, exposure to lightning or power spikes, or damage caused due to incorrect installation of the device, and maintenance

It is important to note that the G60 has an internal battery which if stored for excessive periods will need to be charged to ensure continuity of its performance. Please consult the Digital Matter Battery storage and maintenance document.

In purchasing the Product the Customer acknowledges that it has relied upon its own assessment of the ability of the Product to perform the purposes for which it has been purchased and the fitness of the Product for any particular purpose required. Other than the Manufacturer's Warranty, Digital Matter shall not be liable for any losses or any consequential loss in relation to the supply and performance of the Product.
